The United States reserves its right to recover any oversight costs incurred during that time period covered by this accounting but not included in this Bill, and all other future response costs pursuant to the AOC.

EPA reaffirms its commitment to conduct appropriate and cost-effective oversight of work performed by consenting parties while ensuring protective cleanups. To this end, EPA would once again like to offer to discuss with you its plans for the oversight of ongoing work at the Site, and to provide you with the opportunity to suggest ways to effectively streamline the work and its oversight.

Please contact Mr. Klimcsak at (212) 637-3916 within two weeks of receipt of this letter if you are interested in having a conversation with us regarding future oversight, or if you have any questions regarding this Bill. Questions from your legal representative should be directed to Mr. Howard at (212) 637-3216. Thank you for your prompt attention to this matter.

Sincerely yours,
